**California Inland Empire Council 2017 National Scout Jamboree Participant Electronics policy**

**If selected to attend the 2017 National Scout Jamboree, you will be required to adhere to this policy.**

The Jamboree will encourage the use of cell phone communications and personal radios during the Jamboree. Radios can be used to listen to KBSA, the radio station at the Jamboree that is hosted by scouts attending the Jamboree.

The use of Cell phones for phone calls and text messages brings some concern to the adult leaders of the units simply because most younger scouts do not know what proper etiquette is and when it would be inappropriate to use their phones. This is evident when our own kids use them during school class or during our unit meetings.

The following guidelines will be used by the all Units of the CIEC Jamboree Contingent:

<b>Type of device / communications</b>	<b>Phone Calls</b>	<b>Text Messages</b>	<b>Personal music (mp3 player)</b>	<b>KBSA</b>	<b>e-Readers (Kindle, Nook, etc.)</b>
When allowed	Hotel Time Tent Time Travel Time if not disturbing other Scouts	Hotel Time Tent Time Travel Time	Hotel Time Tent Time Travel Time	Tent Time During Jamboree	Hotel Time Tent Time Travel Time
<b>When not allowed</b>	<b>Tour Time</b> <b>Unit Time</b>	<b>Tour Time</b> <b>Unit Time</b>	<b>Tour Time</b> <b>During Jamboree other than stated above.</b>	<b>Unit Time</b>	<b>Tour Time</b> <b>Unit Time</b>

**Hotel time/Tent Time:** This is 1 hour after checking into hotel room after touring every day and 1 hour after going to bed at night during the Jamboree. The scouts must get rest to function the following day and therefore the 1-hour limit. This allows plenty of time for phone calls, texts and use of personal music players and e-readers. Phone calls during Not Allowed times are allowed **ONLY** with the permission of the Unit Leader or in an emergency.

**Travel Time:** This is the time we travel from one location to another on the bus or plane. Airplanes have specific rules about electronics and must be obeyed by all. Bus transportation may have down time that can be used to send text messages, listen to personal music players, or read e-books. If someone (an adult leader, youth leader, or tour guide) has the floor for announcements or information, all electronics are to be put away.

**Tour Time:** This is when we get on the bus at the hotel for the day, until we reach our next hotel at night, with the exception of Travel Time. The tour guide will have the floor any time we're in the bus or outside of the bus. Tour guides or docents from the many museums and historical sites we visit are to be treated with respect and listened to at all time.

**Unit Time:** During meals, Unit meetings or patrol meetings, during any presentation or show.

**ALL ELECTRONICS BROUGHT ARE RESPONSIBILITY OF THE SCOUT AND (1) MAY BE TAKEN AWAY BY LEADERS IF USED INAPPROPRIATELY AND (2) ARE BROUGHT AT YOUR OWN RISK OF LOSS, THEFT OR BREAKAGE. Scouts are advised to be diligent about keeping all personal items secure at all times.**

**NO SCOUT IS TO ALLOW THE USE OF THEIR ELECTRONIC EQUIPMENT BY ANY OTHER SCOUT AT ANY TIME, WITHOUT THE PERMISSION OF THE SCOUTMASTER OR THE CREW ADVISOR.**
